

Torquay History QR Code Scavenger Hunt

Using an iPod, iPad or a smart phone and a scanning app, scan any clue and answer the corresponding question.

1891 was a year of bad storms resulting in a couple of shipwrecks along the Torquay district coastline. Use this sheet to track down the most interesting cargo on a shipwreck which occurred along the local shores.

Scan the QR Code to find the answer to each question on the sheet. Write your answers in the spaces provided. Then complete the last task. **Note the QR Codes will scan from the computer screen is a printer is not available.

Using the information, you gathered, write a short story or do a comic strip about the journey of the ship.

A suggestion is to think about the trip from the viewpoint of one of the animals. Two examples of comic strip are below.

The Middy Saves the Shipwrecked Jolly Jackies.
